**Terms and Conditions**

**Acceptance:** Buyer shall be deemed to have accepted all goods within 30 days following receipt unless it previously notifies Seller of damage or shortages. Buyer agrees to submit all claims for damages directly to the carrier.

**Exclusivity of Terms:** As to the subject matter described herein, these terms and conditions are the entire agreement between TEMP-AIR (Seller) and the buyer named on the Agreement to which these terms and conditions are attached (Buyer). These terms and conditions supersede all previous communications between Buyer and Seller, written and oral, including any purchase order Buyer may have submitted. In addition, these terms and conditions are intended to govern all sales of Seller's TEMP-COOL® portable cooling systems, regardless of contrary or additional terms or conditions in documents from or communications with Buyer, including without limitation Seller's invoices. No other promise, agreement or statement made by either party, or by anyone representing either party, shall be binding unless it is in writing and signed by Buyer and Seller.

**Warranties:** TEMP-AIR warrants to the Buyer that TEMP-COOL shall be free from material and workmanship defects under normal use and service for 12 months from date of invoice to end user. Seller further warrants that the compressors and parts incorporated in such goods shall be free of defects in material and workmanship, under normal use and service, for a period of 24 months following the expiration of the 12-month period described above. THESE WARRANTIES AGAINST DEFECTS IN MATERIAL AND WORKMANSHIP ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS AND IMPLIED. THERE ARE NO OTHER WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE. These warranties do not apply if the goods are: 1. not installed according to federal, state, and local laws and regulations; 2. subjected to misuse, neglect, or improper maintenance; 3. not operated within their published capacity and electrical supply; 4. connected to automatic controls that are not operative at all times, or 5. allowed to exceed their proper temperature limits due to control malfunction or inadequate air circulation.

**Remedies:** Should any part of the goods subject to this agreement prove, within the 12-month period described above, to be defective in material or workmanship, Seller shall, at its option, repair or replace such part, free of charge, both parts and labor to be at Seller's expense. Should the compressor and/or parts incorporated within such goods prove, within the 24-month period described above, to be defective in material or workmanship, Seller shall, at its option, repair or replace such compressor, free of charge, except that the Buyer shall pay all labor costs incurred in connection with such repair or replacement. Buyer may not return any goods or part thereof without Seller's prior authorization. Buyer shall ship returned goods FOB Seller's factory, freight prepaid. Any goods or part thereof so replaced shall become the property of Seller. BUYER'S EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY, ANY NEGLIGENCE OR ANY OTHER CAUSE IS AS SET FORTH ABOVE. SELLER SHALL NOT BE LIABLE TO BUYER FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, WHETHER FOR BREACH OF ANY WARRANTY, BREACH OF ANY OTHER TERM OR CONDITION, REPUDIATION, ON THE BASIS OF STRICT LIABILITY, OR FOR ANY OTHER REASON. The remedies in this agreement provide Buyer with free repair and replacement of defective parts in the manner provided above. These exclusive remedies shall not be deemed to have failed of their essential purpose so long as Seller is willing and able to repair or replace defective parts in the manner set forth above. No representative of Seller, nor any of its distributors or dealers, is authorized to assume for Seller any other obligations or liability in connection with the goods, or to alter this agreement in any way.

**Returned Goods:** No goods may be returned by Buyer to Seller without prior authorization. Returned goods must have a Return Goods Authorization number (RGA) for a credit to be issued.
